## WEDDINGS

Every bride wants her wedding to be held in a romantic, fairy tale setting. Whether you're dreaming of an intimate garden ceremony or a grand affair for a large number of guests, selecting one of our fabulous venues ensures the big day gets off to a great start.

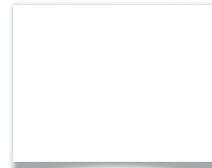

Built in 1903, Te Runanga Tea House is perfect for intimate ceremonies and receptions. Ceremonies can also be held at the charming Band Rotunda, adjacent to the Tea House. Surrounded by the celebrated seasonal floral displays of Government Gardens, both venues provide romantic settings for all-important wedding photographs.

The Banquet Room at the Convention Centre is ideal for larger groups. The floor-to-ceiling curved glass wall, together with its stunning heritage architectural elements, proclaims elegance even before the room is dressed for the big occasion. Banquet dinners, dance floors and entertainment can also be accommodated easily within the space.

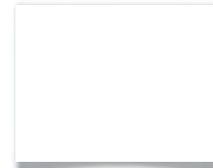

Events & Venues offer an array of highly photogenic outdoor locations, including Government Gardens, Klamath Falls Rose Garden, Murray Linton Rose Garden and Kuirau Park. Together they create a range of luxurious, romantic, stylish or informal options that can be matched to any budget with customised catering solutions also available.

## AWARDS DINNERS

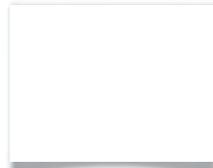

Roll out the red carpet in spectacular style at The Energy Events Centre.

Ideal for large-scale dinners, the Unison Arena can accommodate up to 2600 guests for a seated banquet. Showcasing a mix of contemporary and traditional indigenous art, the colourful and visually impressive Wai Ora Spa Grand Hall is also well suited to large-scale functions.

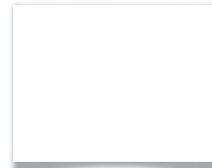

Additionally, the multi-functional Centre has a range of 'out-of-the-ordinary' smaller spaces that are well suited to cocktail parties, award functions and corporate dinners.

The Rotorua Convention Centre adds a touch of elegance to any formal banquet or dinner event. Cocktails for up to 650 can be held in the spacious foyer. The purpose-built Banquet Room is another statement room featuring a modern floor-to-ceiling curved glass wall.

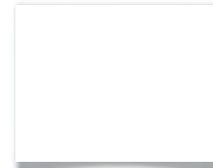

The Convention Centre also features the Concert Chamber which can accommodate up to 400 guests for cocktails and 200 for a banquet.

## EVENTS AT OUR VENUES

Our range of indoor and outdoor venues — and the host of options within those venues — effectively means we are able to host and cater for almost any occasion.

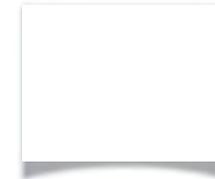

Our specialist team have successfully managed large conventions, conferences, corporate meetings, exhibitions, expos, weddings, gala dinners, theatre productions, sports events, live concerts, musicals, shows, arts events and special functions. . . in fact, just about any event imaginable.

All of our venues are close to the Rotorua city centre, with the majority within walking distance of major Rotorua hotels, cafes, restaurants, the magnificent Government Gardens and scenic Lake Rotorua.

Furthermore, most of our venues offer additional benefits — like ease of access and more than ample parking.

## MAJOR & COMMUNITY EVENTS

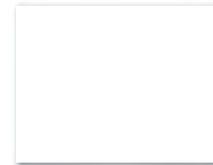

In addition to venue management, the Events & Venues Team work with professional event organisers to host a variety of outdoor events at our parks and lakes, in our forests and on our roads.

Currently we maintain a calendar of regular events, including national marathons, top triathlons and mountain bike competitions.

- Upon securing an event, we work with event organisers to ensure complete event success. This management expertise, coupled with our exceptional event infrastructure, has earned our reputation of 'punching above our weight'.
- Our Team also supports community organisers in bringing their event vision to fruition — encouraging the community to come together to celebrate Rotorua and it's people. We assist by providing the management experience and avenues for local promotion that help maximise any event.
